

Friday, November 8  
Hyatt Regency New Orleans  
6:30–10 pm  
[wjmc.org/jubilee](http://wjmc.org/jubilee)

### **It's your time to shine!**

Join us on Friday, Nov. 8, 2024 for the West Jefferson Jubilee as we celebrate a brighter future for the health of our community. This extraordinary cocktail reception will be an evening filled with live music, delicious food, and exciting auctions in a grand effort to raise funds to benefit patient care at West Jefferson Medical Center. The night is also dedicated to recognizing Dr. Robert J. Chugden, the 2024 recipient of the Frank C. Di Vincenti, MD Community Leadership Award.

### **A ray of light during times of need.**

Proceeds will benefit Critical Care at West Jefferson Medical Center in their efforts to deliver compassionate care to critically ill and injured patients on the Westbank. The West Jefferson Critical Care Unit is a certified stroke center with board-certified critical care intensivists available 24/7. Our fundraising efforts will fund advanced technology for increased patient safety and personalized care.

### **Let's glow for our community!**

The physicians and staff at West Jefferson Medical Center are committed to making sure that our city's healthiest, happiest days are ahead of us. By joining us as a sponsor for the West Jefferson Jubilee, you can support our extraordinary healthcare team in their mission by funding the hospital's most pressing needs through the Friends of West Jeff fund. You will also allow our Critical Care Units to continue to deliver life-saving care to families during times of hardship.
