

# The Spirit of Charity

Located in the heart of New Orleans, University Medical Center New Orleans' roots run deep, all the way back to the early days of the city we serve. University Medical Center carries the torch of Charity Hospital through an unwavering commitment to making exceptional care accessible to everyone who needs it.

The spirit of Charity is alive at University Medical Center, as we educate future generations of healthcare professionals and facilitate innovation through groundbreaking research, ensuring extraordinary care will be provided right here at the center of New Orleans, today and tomorrow.

**John R. Nickens, IV**  
President & Chief Executive Officer  
University Medical Center  
New Orleans

“ University Medical Center was built for and by New Orleans with values rooted in kindness, compassion, and generosity. Born out of the Spirit of Charity, we are dedicated to serving patients during their most vulnerable moments. Our commitment is to provide compassionate care and a healthier future for our entire community. ”

## Our unique history and growth

2013

Interim LSU Hospital joined the LCMC Health system in June 2013 after a public-private partnership reached with the State of Louisiana.

19-1966-10222024

2015

University Medical Center New Orleans opened August 1, safely relocating 131 patients from Interim LSU Hospital to the new, state-of-the-art medical facility.

2021

The Burn Center received American Burn Association verification, the Outpatient Surgery Center opened, and construction began on second parking garage. The new 1,365-space parking garage opened for hospital staff and the outpatient Behavioral Health Center opened at 2475 Canal St.

2022

University Medical Center earns national accreditation as a Comprehensive Center for Bariatric Surgery and receives Geriatric Emergency Department accreditation.

2023

University Medical Center received Magnet Recognition from the American Nurses Credentialing Center (AANC). This prestigious designation distinguishes organizations that meet rigorous standards for nursing excellence.
